

**PRESS RELEASE**  
**10-30-09**

**FBGOV SOFTWARE AND COLLABORATION UNVEILED TO A  
FULL HOUSE**

*FBGov (Solutions for Government by Government [www.fbgov.us](http://www.fbgov.us)), the unique public-private collaboration between the Town of Westford, MA and Hawkeye Government Solutions, was unveiled at a public launch on October 28, 2009 at the Westford Town Offices Auditorium.*

*Westford Town Manager Jodi Ross welcomed a full house of attendees from all over New England representing small towns and cities from three states.*

*Christopher McClure, Technology Director for the Town of Westford, talked about the history of the project and provided an overview of the permitting and licensing software.*

*Gary Tedeschi, Building Official from the Town of North Kingstown, Rhode Island, spoke about his positive experience as a customer with FBGov.*

*Stan Karlin, Chief Marketing Officer for Hawkeye Government Solutions, spoke about the advantages of the public-private collaboration model. He also spoke about FBGov's new partnership with Unibank for processing online permit payments.*

*For more information, please go to [www.fbgov.us](http://www.fbgov.us) or contact Stan Karlin at 508-482-0614 or email [skarlin@hawkeyegs.com](mailto:skarlin@hawkeyegs.com)*
